gutter

This page represents a good example of... **flow**... in graphic novel storytelling because... **the reader can easily follow the events of the page in the suggested**

speech balloon

subject-to-subject

SFX (sound effects)

action-to-action

The assignment is to annotate one comic book page, labelling the page with the appropriate terms used for graphic novel codes and conventions. Find a page that includes:

- (i) *three* graphic novel terms (in the green boxes)
- (ii) *two* conventions for graphic novel storytelling (in the yellow boxes)
- (iii) a good example of one of the essential features of good graphic novel storytelling (flow, choice of word, choice of moment, choice of image, or choice of frame)
